“Tobi and Ella’s childhood in East Berlin is shrouded in mystery. Both remember their family’s daring attempt to escape; but the fall-out from that event remains elusive. Where did their parents disappear to? What happened to Heiko, their little brother? And was there ever a painting of three blue horses?”

In Germany, Aaron works for the archive, making his way through old files, piecing together the tragic history of thousands of families. But one file in particular catches his eye; and soon unravelling the secrets at its heart becomes an obsession.

When Ella is left a stash of notebooks by her mother, and she and Tobi embark on a search that will take them back to Berlin, her fate clashes with Aaron’s, and together they piece together the details of Ella’s past ... and a family destroyed..”
