

Artful Acrylics

This is an inclusive class for aspiring artists of all stages, ability, and experience.

Creative play and expression is one of the most wonderful ways to relax. Connect with a like-minded community, and treat yourself to some fun and self-care in the week.

Whether you're a beginner, or an established artist, we all have something to teach each other. **Tegan**, our facilitator, will guide you through process, colour mixing, and technique, to contribute to a new piece, or a work in progress.

We will be offering 2 classes on a Wednesday, you can join the one that suits your schedule or make a day of it, and do both!
